At our AGM in May Executive members' remained more or less the same.

We also reported progress on the new Hargraves Fire Station and NSW Public works are overseeing the development in our community, probably within the next twelve months.

Also at our AGM the Brigade Subscription rate was lowered as follows:

Subs per property of \$20 / \$10 (pensioner / concessional) are now due for your Brigade; Pay at the Hargraves shop or online to the HARGRAVES BUSH FIRE BRIGADE BSB: 062-577 Account # 00800538 Commonwealth Bank Mudgee.

**Just a TIP about Hargraves Waste Transfer Station; Green waste (such as garden vegetation and tree loppings are not to be left there as it is not compliant with Mid Western Regional Council's guide, which can be found at their website or by phoning Council on 63782850.**
